

SPORTS DAY WAS A BLAST! - June 9th

The teams assembled as soon as school began and started off with their team cheer routines which were original & well prepared.

Team relays were soon off to a jump start with anxious shouts of excitement & enthusiasm from all cheering for their own teams.

Go Ravens! Go Dragons! Go Hawks! Go Vipers! Go Falcons!

Some of the relays were such fun to watch!

Lemon Balance, Penguin walk, Spoon and Egg race, Bean Bag Balance, Pickup sticks, & Basketball dribble, to name a few.

The individual events; Around the world basketball, Baton toss and the 3 legged race were also very entertaining.

The Hula Hoop contest had to be declared a tie as no one gave up after approximately 15 minutes of endless Hooping. Everyone was declared a winner scoring the maximum of 10 points for the team.

The kids nervously kept an eye on the growing score board and cheered each other on & the staff made sure every played fair!

After all the events had been completed it was time for pizza and ice cream for everyone & for the official scores to be declared.

Black Hawks came in 1st place

Purple Ravens in 2nd place

Golden Dragons in 3rd place

Green Vipers in 4th place

Red Falcon in 5th place

Everyone received a ribbon and a certificate for being a good sport.

What a wonderful way for kids to learn good sportsmanship!
