

CHRISTMAS CHORAL PROGRAM:

The Classrooms are decorated in festive reds and greens with a Christmas tree taking center stage. Students decorate the trees, write letters to Santa Claus and start the countdown to Christmas.

Before breaking for winter recess in December the students actively participate in our Christmas Choral Program every year.

Lively songs, dances and skits in every classroom, warm apple cider and Christmas cookies fill the air as we make the day a very joyful start to the Christmas season.

Parents are invited to their children's classrooms and watch what their children have secretly been rehearsing. Parents, grandparents and friends join in the cheerful festivities at Oneonta.

Merry Christmas Everyone!
