

Spelling Bee

Every year students from 1st – 6th grade participate in our Spelling Bee. All students compete in an elimination round where the 10 best in each grade are chosen for the final competition.

Students complete 30 words; 10 – easy, 10 – average, 10 – difficult. If there is a tie in the score after the 30 words, they keep competing in the tie breaker round until there is a winner.

1st place winner receives a Spelling Bee Medal and a 1st place ribbon

2nd place receives a 2nd place ribbon

3rd place receives a 3rd place ribbon
