

Dance at Oneonta

Thursday is dance! The little preschoolers learn the basics in Jazz, Tap, Ballet and Creative Movement. Hip Hop is added to the Kindergarten – 2nd grade program and Acrobatics to the 3rd – 6th grade repertoire.

A beautiful creative dance recital with elegant costumes is the end result of a year's worth of dance lessons. Parents, families and friends are invited to be spectators and everyone is in awe at the performance.

The cost is \$ 42.00 per month for 4 lessons.
