

Open House on March 30<sup>th</sup>, 2012

was a huge success!

Our Elementary Theme was **Politics**

Our Preschool theme was **Colors**

We had over 750 parents and guests visit and observe how our students work in school every day.

Everyone was amazed to see how our students master concepts in a hands on learning environment.

Working with the Montessori manipulative materials, finding out answers for themselves and being proud of their accomplishments is the status quo in the classroom.

**Way to go Oneonta students!**

Check out Open House pictures and videos of: Gettysburg address, Speeches by Abraham Lincoln, John F Kennedy, Dwight Eisenhower, George Washington and Theodore Roosevelt.
