

VISIT TO EMERITUS SENIOR CENTER

COMMUNITY SERVICE PROJECT

On April 4th, 2012, our 3rd graders visited the seniors living at the above home, bringing with them some Easter Cheer.

The students entertained the seniors by singing songs, reciting poems and acting out a play, bringing smiles and laughter to all.

The seniors had a surprise for our students as well; lots of little white Easter Bunnies running around that the students enjoyed carrying and cuddling.

All the elementary students, (k-6th grade) at Oneonta made Easter Cards that the 3rd graders took with them and handed out to the seniors at the center. It was nice watching the expression on their faces as they read the Easter cards.

Our students understand the importance of being active in their community and going out of their way to do things for others. We are very proud of them!
