

On behalf of the students and staff at

Oneonta Montessori School

Alhambra

I would like to welcome you and your family to our annual

OPEN HOUSE

Friday, March 29th, from: 3:30 - 7:00 p.m.

Our students will demonstrate how the Montessori Materials in the classrooms motivate them to discover learning in an exploratory manner.

Our students, preschool to 6th grade, use their senses when working with these fascinating, self correcting materials that have very specific goals and purposes; thereby promoting a healthy productive educational setting.

Come see how we replace traditional learning such as copying off the chalkboard, taking dictation from the teacher or burying one's self in textbooks with a rich, hands on learning environment.

COME SEE OUR FABULOUS SCHOOL!

2221 Poplar Blvd

Alhambra, CA 91801

Dear Visitors,

We cordially invite you and your family to our Open House on Friday, March 29th.

If you have a child in the preschool age group you may visit us anytime between the hours of 3:30 and 7:00 p.m. In preparation for Open House, our preschoolers have chosen 3 'jobs' from the range of Montessori materials they work with at school daily to present to their parents. When you visit the classrooms you will see a broad range of activities & materials that our children work with at school every day. You are welcome to ask the teachers any questions you may have as well as to explain the methodology of a Montessori classroom.

If you have a child in the Kindergarten - 6th grade age group, it will be informative and enlightening to sit in the classroom of your child's age group at either one of the Montessori material presentation times, (3:30 or 5:45 p.m.). Our students have picked one 'job' from the 7 subjects that they do at school every day; Math, Language, Geometry, Botany, Zoology, History and Geography. They will go on to explain its importance and use. You will notice the proficiency of their knowledge of the materials as well as their confidence and public speaking abilities. We have reserved a time slot from 4:30 – 5:45 p.m., for visiting families to talk to the teachers and ask questions.

We start taking applications from prospective students beginning April 1st, 2013, for the new school year beginning September 3rd, 2013. Every year we have a limited number of openings available after our students have registered, therefore it is imperative that you turn in your child's application as soon as possible to avoid being put on a waiting list.

We look forward to seeing you and your child on Friday, 29th! Please come directly to the school office when you arrive and we will then escort you to the classroom that is age appropriate for your child.

Sincerely,

Ms. Fiona

Director
