Ms. Fiona and Oneonta Staff,

I am writing to express my extreme gratitude to everyone. Brianna has attended Oneonta since she was 3 years old and it still amazes me how excited she is daily to get to class. She has loved every teacher and staff member at the school and works hard to meet everyone's expectations.

Over the years I have seen the announcements of the student chosen to accept the award. I never expected to see Brianna running down the hallway screaming she won this year's award. It makes me so happy to know others appreciate the morals and qualities I have strived to instill in her. She has always been a very happy child and has brought so much joy to my family's life.

One of the things I love about Oneonta is the warmth you feel when you enter the school. The staff members and students become family and you can see how important each child is to every teacher. It goes without saying, Brianna has gained so much by attending Oneonta. I am so thankful that the morals learned at home have been nurtured while she's at school. It has been a blessing to us both, for the privilege of being able to send her to your school.

The Jasmine Macias Memorial Award goes to show how special every student is that enters Oneonta Montessori School. I am so happy to know that the memory of Jasmine has been kept alive by both staff and students. Both Brianna and I are truly grateful for this award and will never forget the beautiful gift you have given us.
