

Dear Parents:

We are happy to notify you that My Gym Mobile is now being offered at Oneonta Montessori as an enrichment program.

The My Gym program is designed to promote health and fitness as a lifelong habit in a positive and nurturing environment. Every Friday, your child will participate in a 30 minute class that includes fitness activities, games, relays, sports, songs, dance, puppets and other original activities. My Gym Kids have fun as they exercise and gain strength, balance, coordination, agility, flexibility and social skills. The most important benefit we offer, however, is the building of confidence and self-esteem.

I majored in Child Development in college. I have been teaching children for the last twelve years. I started this business because I truly love teaching children.

Sincerely,

Katie Gonzalez
