

Oneonta Montessori School

LOCKDOWN DRILL

We will be having a planned LOCK DOWN drill this **THURSDAY, OCTOBER 26TH**.

Students are taught to adhere to the 'Lock down' command over the PA system, drop to their knees, crawl out of their classrooms into the hallways, then walk briskly & assemble in safe areas where they will remain until the 'All Clear' is given.

Staff will communicate via Walkie Talkies.

We practice this drill so our students become aware and are ready for any emergency situation.

Please talk to your children at home about this practice drill this Thursday. Thank You.
