

Summer Camp for visiting students 2018

Dear Parents,

We welcome all elementary students to participate in our enhanced 8 weeks of summer camp. We have created a wonderful program to suit every student and we are certain they are going to love it!

We have designed a summer program that is rich in academic content so that children won't forget the knowledge and skills attained during the school year. We are going to create an individualized summer enrichment program for every child that participates. The teachers will start working on these individualized plans that will include Language, Math & Reading as soon as each child's summer application is turned in.

Returning this summer for all elementary students; the very sought after S.T.E.A.M. program (Science, technology, engineering, art and math). Students will work with professionals from BRICKS 4 KIDS, building robot with Legos. Bricks 4 Kidz' unique models are designed by Engineers, Teachers and Architects to promote S.T.E.A.M. growth. Kids already know how to build with LEGO® bricks, but with a little coaching they can learn engineering, architecture and concepts of physics and mathematics using the plastic components to build exciting themes that include Space, Inventions, Famous Buildings, and Natural Disasters. Instructional content includes concepts of friction, gravity and torque, scale, gears, axles and beams.

Please see Summer Monthly calendar for all summer activities; in house assemblies, away field trips, Robotics program etc. Students may attend weekly or in a 4 week session.

The summer fee covers all activities.

Payment Schedule is as follows:

Weekly fee is \$185.00.	With extended daycare \$195.00
<i>(extended daycare hours are 6:30 – 9:00 a.m. & 3:00 – 6:00 p.m.)</i>

We look forward to having your child spend summer with us. Our Oneonta students are enthusiastic, friendly, outgoing, helpful and good citizens and will make sure that your child feels welcome. We guarantee summer will be a B L A S T, so make sure to turn in the summer application as soon as possible.

Sincerely,
Ms Fiona ☺
