AUGUST/SEPTEMBER - 2018

WELCOME TO ONEONTA – EVERYONE!

A great big hello to all! We look forward to working together with you in making this school year an exciting and fulfilling experience in learning. Don't forget to take some time out of your busy schedules to get to know our staff. We're all very eager to meet all our students and parents and would like to extend a warm welcome to all.

NEW SAFETY MEASURES @ ONEONTA

We have installed a new Access Entry Control System at all entrance gates. For the first 2 weeks of school, entry codes for all gates will be **12345**. After everyone is familiar, specific gates & codes will be assigned for preschool & elementary student entry. **We ask that parents pay close attention to the codes and not share it with anyone.** If anyone other than parents will be picking up children, parents must DOJO teachers with names to get clearance before codes can be shared. Everyone's utmost co-operation is needed for the safety & well being of all.

Helpful Tips for a Successful Start

Good Morning!!

- Encourage your child to eat a healthy breakfast.
- Skip the morning rush by having backpacks packed and clothing laid out the night before.
- **Be on time!!!** Give your child enough time to greet friends and teachers as well as to say their good-byes. It will ensure a smooth start with the right attitude. Let's strive for 100% perfect punctuality and attendance!
- All children must be in their classrooms by 8:30 (elem) 8:45 a.m. (pres) as the school doors will lock at 9:00 a.m. sharp.
- A positive morning routine will not only relieve the stress of the early morning rush but will encourage independence.

Make Learning and Homework a Positive Experience - Elementary School

- Help your child develop good study habits by providing a positive & consistent homework schedule.
- Provide a quiet work atmosphere for your child free of clutter or distractions.
- Show your child that you are interested in his/her work by asking questions and keeping comments up-beat and encouraging.
- Go over homework with your child to ensure that it was completed accurately.
- Read Student Planners (3rd - 6th grd) daily for student logs and teacher comments.
- Make sure to follow up on dates of tests/quizzes/special assignments etc on Class Google Calendar.

Preschoolers - Separation

Separation anxiety is a normal stage of development. Tears are expected from our little ones. Our teachers are loving, nurturing, and experienced in helping your child develop a positive attitude about school. Children need on-going reassurance that you will come back for them after school. Sometimes separation can be just as difficult for the parent as it is for the child. Take time to get acquainted with your child's teacher and communicate any needs or concerns. Remember, your child will take your lead!

- ❖ Talk to your child positively about school, teachers, friends, etc.
- ❖ Go over your child's daily routine with him/her.
- ❖ Arrive in school **before** 9:00 a.m. so your child will have some free playtime before school begins. It makes for a fun start to the morning!
- ❖ Coming late to school (after 9:00 a.m.) is very disruptive to the entire class & must be avoided at all cost.
- ❖ Be sure to say good-bye and clearly state that you will be back.
- ❖ Good-byes should be brief, positive, and affectionate.

Keeping It Together

Good organizational skills and success go hand in hand. Help develop these skills by Encouraging your child to:

- ❖ Keep all personal belongings inside individual locker at school - (Elementary students)
- ❖ Label personal items such as sweaters, lunch boxes, backpacks, **homework** etc.
- ❖ Be responsible for own belongings. Students, not parents, must carry their own belongings into school and store them in assigned space.
- ❖ Back packs (small) are a requirement for all 1st - 6th graders. Back packs must fit inside lockers. Optional for TK & K.
- ❖ Lockers must be kept closed at all times.
- ❖ Expensive items (digital and other) are not allowed at school.
