

August 21, 2020

Dearest parents,

Welcome to a new school year! I am Ms. Theresa and I'm so thrilled to be your child's teacher this year! While this is far from the start of the school year we were all hoping for, I am making it my goal to carry out our year with as much learning, fun and adventure as possible, whether it be here at school, or while at home joining us online. This year calls for so many new opportunities and learning for both, our children as well as for us teachers.

A little bit about myself; I've been working with children in the classroom for over 10 years, 6 of those years have been here at OMS. I completed my units in Early Childhood education and received my Montessori certificate from the North American Montessori Center. I have a wonderful son, Jayden, who is around the same age as your beautiful children and has been a part of our Oneonta family since he was 2 years old. He is now advancing to the TK class and can't wait to wear his new school uniform and be a part of the 'big boy school'.

I am eager to work with you as a team to help create a safe and nurturing environment where your child can learn and grow to their full potential. So many great and exciting things will happen in our class this year. Our objective is to help your child become independent productive members of our world. I believe that communication is key to your child's success as well as a great parent/ teacher relationship. I encourage you to contact me if you have any questions or concerns throughout the year as you will have access to me via our Class Dojo app or my email: theresa@oneontamontessori.com.

I will be meeting all of you on Zoom at our Back to School Night on September 11th. If you have any questions for me I will be very happy to answer them.

I look forward to a fun-filled year!

Sincerely,
Ms. Theresa
